

Native frontier page ALPHA for the 04B-3 real acceptance fixture.

MINERU REAL SCAN MARKER

KV93 DURABILITY LANTERN ORBIT

This raster page carries no extractable text layer.

The OCR engine must recover every marker word:

DURABILITY LANTERN ORBIT FALCON MERIDI

Paragraph two of the scanned fixture body.

deterministic synthetic content only, no copyrighted
material. Second sentence of paragraph two ends h

Paragraph three confirms recovery of body prose fr
rasterized glyphs by the pinned local MinerU runtime

Second native page OMEGA closes the 04B-3 real acceptance fixture.
